

## GLOBAL LEADING KOREAN FOOD BRAND

### PRODUCT CATALOGUE

Founded in 1956, Daesang Corporation has been one of the world's largest producers of fermented food products for over 68 years, and has grown to be the global leading Korean based food company by operating global brands such as Jongga, and O'Food which provides sauce, ready-to-eat meals, and many more products. Headquartered in South Korea, the company has also manufacturing subsidiaries in United States, China, Indonesia, Vietnam, and Poland.

In Korean, the word 'Jongga' refers to the careful craft and mastery of passing down authentic recipes from one generation to the next. As the first brand to commercialize packaged Kimchi globally, Jongga has been the No.1 Kimchi brand in Korea since 1987. With its continuous innovation, Jongga has released a variety of plant-forward, gluten-free, probiotic rich Kimchi products for different global consumer lifestyles - vegan, halal, and kosher - so that Kimchi can be enjoyed by everyone in the world.

\*O'Food to be renewed as

O'Food is the leading global Korean food brand, committed to make people's lives and food more enjoyable and surprising by adding a Korean twist.

The 'O' stands for Ongoing, a relentless creative effort to put a Korean twist on taste for people all over the world.

A never-ending pursuit to combine our expertise in Korean cuisine with unique global tastes.

# KIMCHI

- Kimchi is the most famous traditional food that well-represents Korea itself. It contains lactic acid bacteria, bacterium that not only helps with digestion and combats harmful bacteria.
- These robust ingredients increase in complexity as it ferments, bursting with flavorful heat but delightfully balanced.
