*Ts & Cs apply.

Why Samsung

Samsung provide additional values founded on four pillars not like other brand TVs.

Emphasize common differentiating factors from competitors across the entire TV lineup.

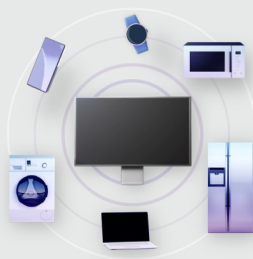

SmartThings

Enhance your TV experience with added convenience using SmartThings.

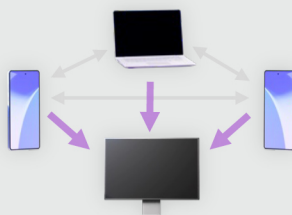

Home Insight

Efficiently manage your home in TV

Storage Share

Various products share storage space like a single device

Workout Tracker

Enhance your workouts with a smarter home fitness experience

Universal Gestures

Control TV with galaxy watch that you are wearing now

Quick Remote

Use your phone as a TV remote for easy control
