Exclusive World of **DISHWASHERS**

An advertisement for LG Dishwashers. The central image shows a silver LG dishwasher with its door open, revealing three racks filled with clean white dishes. The dishwasher is placed on a light orange circular pedestal. Red rose petals are scattered around the base of the pedestal. In the top left corner is the LG logo. To the right of the dishwasher, the text reads "It's Love at first sparkle with LG Dishwasher" where the word "Love" is in a large, stylized font with a heart shape for the letter 'o'. At the bottom right, the slogan "Life's Good." is written in a large, bold, red serif font.

Beyond great products, LG provides dependable service that supports you every step of the way. From setup to after-sales assistance, we're committed to keeping your experience smooth and stress-free.

01. Installation Support

Our professional installation service ensures your LG appliances are properly and safely set up from day one, giving you peace of mind right from the start.

02. Customer Careline & Technical Support

We offer clear guidance, helpful troubleshooting, and real-time answers to your queries, minimizing downtime and confusion.
Visit www.lg.com/eastafrica/support

03. Warranty & Repairs

All LG products come with a manufacturer's warranty. In case of any issues, our authorized service centers offer genuine parts and expert repairs to restore your device to peak condition.

04. Smart Diagnosis™

With Smart Diagnosis™, LG appliances can communicate directly with our customer support systems to instantly relay issues.

05. Home Visit & On-Site Service

For products that require hands-on servicing, our technicians offer prompt and professional on-site support, reducing the need to haul heavy items and ensuring quicker resolutions.

06. Remote Assistance (via ThinQ App)

Through the LG ThinQ app, users can monitor appliance performance, receive maintenance tips, and even access remote diagnostics anytime, anywhere.

07. Installation Support

Get access to genuine LG spare parts and accessories, ensuring compatibility, quality, and performance.
